

UNIT 2

VISION

2.0 Institutional Vision

Our vision is to provide quality education on par with global standards to the students from all over India and in particular those from the local and rural areas. We continuously try to maintain high standards so as to make them technologically competent and ethically strong individuals who shall be able to improve the quality of life and economy of our Country.

2.1 Identify the part of the Vision you plan to achieve during the current project-life (i.e. your Pragmatic Future)

- 1) To improve the qualifications of the teachers.
- 2) To improve the academic excellence of the students.
- 3) To improve job opportunities through campus placements and outside jobs.
- 4) To introduce P.G. Courses in emerging fields of technology.
- 5) To procure state of the art equipment for all laboratories.
- 6) To enhance facilities in the Digital Library.
- 7) Strengthening the library facilities by procuring more books & learning resources and by subscribing for more journals.
- 8) To enhance the bandwidth of the Internet facility to 2 Mbps.
- 9) To improve the existing videoconferencing facilities.
- 10) To establish full-fledged English language communication laboratory.
- 11) To create more Seminar halls and e-classrooms.
- 12) To organize short-term courses and workshops.
- 13) To introduce Office automation and Library automation.
- 14) To invite senior faculty from reputed institutions as visiting faculty.
- 15) To arrange guest lectures by faculty from NITs, IITs, etc.
- 16) To create conditions for pursuing more vigorously research and consultancy activities.

- 17) To undertake activities for upliftment of society (i.e to improve the living conditions of the people by undertaking activities like literacy and hygienic campaign, testing of water sources in the village and to give suitable advice and to extend bio-medical services) in the vicinity of the college.
- 18) To take up works related to tribal development.

2.2 Indicate key activities in order of priority to achieve your pragmatic future as stated in item 2.1

- 1) To improve the academic excellence of the students.
- 2) To procure state of the art equipment for all laboratories.
- 3) Strengthening the library facilities by procuring more books and learning resources and by subscribing for more journals.
- 4) To take steps to improve the qualifications of the teachers
- 5) To enhance facilities in the Digital Library
