

13. Key Output and Outcome Performance Indicators

Note: To measure the achievement of the program, some parameters have been developed by NPIU and the World Bank which need to be carefully targeted and achievement noted and evaluated on regular intervals to take corrective action and ensure progress of the Program as per plan

Mentors are expected to go through the Key indicators and

- (1) Assist institutions in setting up realistic targets
- (2) Assist filling the achievement properly taking into account all departments included in TEQIP
- (3) Monitor progress during their visits
- (4) Guide institutions in achieving targets
- (5) Bring to the notice of the SPFU/NPIU any bottle necks
- (6) Suggestions/recommendations

This data has been furnished and entered by the TEQIP Coordinator of the following Institute:
